Tino Liberatore Joins Band Pro Munich as New Managing Director

Tino Liberatore has been appointed the new Managing Director of Band Pro Munich. Band Pro Munich GmbH is a subsidiary of Band Pro Film & Digital, Inc., headquartered in Burbank, California.

Tino Liberatore

Mr. Liberatore brings a wealth of industry experience to the position. Prior to joining Band Pro, Mr. Liberatore has worked with ARRI Inc. New York, Arri Munich, P+S Technik, FGV Rental, MovieTech, Carl Zeiss AG, and Panther.

Band Pro's President and CEO, Amnon Band, remarked: *"With a background in hands-on manufacturing, camera repair, lens technology, marketing, and sales, it feels almost as if Tino had been training and preparing for this job as Band Pro Munich's Managing Director - a job that requires many hats and talents."*

Band Pro Film & Digital, Inc. was founded in 1984 and has long been a leading provider of high-end digital cinema and television production equipment worldwide. The German subsidiary office in Munich opened in 2002 and serves the European and international markets.
