Oxygen's Scrumptious Specialty Sauces

Rahway, New Jersey – June 14, 2012 - **OXYGEN IMPORTS** announces an expanded line of specialty sauces in contemporary and fusion flavors intended for the most discriminating of palates. Oxygen has always represented the finest in their selection of sauces and now more than ever with their perpetually expanding innovative line. President and co-founder of Oxygen, Haidi Biala spoke of the ever growing fascination with cooking. "The trend today is to cook gourmet meals at home and our assortment of scrumptious sauces allows the imagination to go wild!"

Notable novel sauces are the one of a kind Oxygen Silan Sauces promising at least 50% pure date syrup and Lin's Sauces and Dressing with 40% honey, to be used in stir frying, grilling, marinating and salads. The selection continues with Oxygen Cooking and Finishing Sauces made with figs, citrus red wine, and mango. For fancy salads and desserts there is an assortment of sauces made with fruits such as Passion Fruit, Pomegranate Plum, Mango, Citrus and more. And of course there is an extensive selection of Amazon regular and flavored hot sauces such as Guava Sauce, produced satisfying even the most discriminating.

Suggested retail prices range from $2.39 to $6.39. Oxygen sauces are available at various online retailers, gourmet and health foods, grocery and farm markets and supermarkets such as Shoprite, Jewel-Osco, Acme, Garden Fresh Markets and more.
